Office

StandUp

StandUp is an ergonomic work station mat which is small and neat, and specially designed for use with height-adjustable standing desks. StandUp has an extra thick and soft core, ensuring good load ergonomics when working standing up, giving the mat both a cushioning and relieving effect. With an attractive textile surface and several subtle colours, it blends nicely under standing desks in offices, receptions and shops.

Properties:	Extra soft, cushioning.
Material:	Textile surface in polypropylene, underside of foamed nitrile rubber.
Thickness:	16 mm
Fire resistance class:	-
Environment:	Public environments, offices, shops, banks, receptions.
Maintenance:	Sweep, vacuum, wipe off with a mild detergent.
